Chères clientes,

Paris has always been at the heart of my journey. It is the city where my story began, and it remains the great love that continues to inspire me. Its light, its elegance, its quiet romance—these are the elements I wish to share with you through each creation.

This new Pre-Fall Collection is my love letter to you. Designed with care and devotion, each piece reflects the spirit of Paris and is meant to accompany you gracefully as the seasons change.

It is my joy to offer these first arrivals, and I hope they bring you the same sense of beauty and inspiration that Paris has always given me.

xoxo,

ANNE FONTAINE

The City, The Muse, The Moment

2025 PRE-FALL COLLECTION

In Paris, there is a fleeting pause—subtle yet unforgettable. Between the warmth of summer and the first breath of autumn, the city moves with a softer rhythm. It is within this in-between space that designer Anne Fontaine has created the Pre-Fall 2025 Collection: an ode to black and white, to balance, to timeless elegance in motion.

The *Muse* in *Motion*

For Anne Fontaine, the muse is both a constant and ever-changing. She embodies confidence, intuition, and ease—qualities expressed in garments that live beyond a single season.

ARTY HEEL

Signature white shirts are reinterpreted with sculptural fluidity, tailoring is softened with intention, and dresses float between structure and grace. Lightweight knits add depth, creating layers that move seamlessly from day to evening, from season to season.

"In these clothes, I feel both unbound and grounded—as if the city itself moves with me."

The *Wardrobe of Transition*

Anne Fontaine's vision for Pre-Fall lies in versatility. The eternal codes of the house — black and white — anchor a wardrobe designed to adapt and endure.

TERRA SHIRT
PRESTON PANT

Soft tailoring conveys quiet strength. Draped silhouettes and fluid separates invite movement. Accessories—bags, belts, scarves—complete the portrait of a woman whose elegance is defined not by excess, but by intention.

Each piece reflects Anne Fontaine’s dedication to craft: embroidery that catches the light, draping that frames the silhouette, textures that speak through touch. These are not garments bound to a moment, but enduring companions for a life in motion.

The *Essence of Elegance*

Anne Fontaine has long believed that true elegance is emotional—it is something felt, not forced.

In this collection, that belief is realized: the calm confidence of a perfectly cut shirt, the understated strength of a jacket, the eternal poetry of black and white. Subtle, modern, unforgettable—just like Paris itself.
