

A woman with long dark hair is standing against a wall with a geometric pattern of pink and white squares. She is wearing a black, one-shoulder, floor-length dress with a white floral pattern. She is also wearing white high-heeled sandals with large white flowers on the straps. The floor is made of light-colored stone tiles. The overall mood is elegant and sophisticated.

Central to the collection is a thoughtfully curated color palette, drawing on the richness of dark navy to conjure the depth and mystery of the ocean at dusk. Anne Fontaine's signature palette of crisp black and white infuses the collection with a sense of enduring poise, while touches of blue linen introduce a sense of casual, tactile charm.

Flowing with the balmy Miami breezes, Anne Fontaine's silhouettes whisper a language of ease and movement. Each piece contributes to the narrative of the perfect getaway wardrobe — relaxed yet undeniably chic. The collection

prioritizes comfort without sacrificing the distinct, figure-flattering tailoring that is characteristic of the Anne Fontaine brand.

The backdrop of The Esme Hotel lends an air of contemporary Art Deco sophistication, its vibes resonating with the architectural lines and structural details found within the collection. The Cruise pieces integrate maritime aesthetics with urban flair, delivering a stylish nod to nautical motifs while remaining eminently wearable in a cosmopolitan context.

Immerse yourself in the sensory delight of fabrics that envelop you in comfort as you take a leisurely stroll through the sophisticated surroundings of The Emse. Picture the embodiment of both luxury and ease, capturing the essence of sophisticated resort living with a

modern, feminine twist. The designs evoke the freedom and fluidity of the ideal vacation wardrobe, cleverly designed to navigate the transition from laid-back daytime elegance to the polished grace of evening wear with unmatched ease.

Accents thoughtfully integrated into the collection pay homage to a nautical adventure while celebrating the timeless Parisian elegance Anne Fontaine is renowned for. Lace introduces a layer of romantic intrigue to the collection, beautifully complementing the crispness of monochrome. Embroidery adds depth and a touch of whimsy, while cotton lends a breath of natural simplicity, ensuring each piece feels as good as it looks. The juxtaposition of ruffles and structured lines, combined with a mix of textures, offers a fresh take on resort wear that's as invigorating as the cool ocean breeze.

The Cruise 2025 Collection at The Esme Hotel by Anne Fontaine is an invitation to dress for the holiday of your dreams, where the allure of resort life is captured in every seam and hemline. It is a tribute to timeless appeal with a contemporary

spirit — an ensemble of garments designed to accompany the discerning woman from the golden shores of day to the sultry charm of tropical evenings.
