

A woman with blonde hair and blue eyes stands in a fabric store, surrounded by large rolls of various fabrics. She is wearing a white collared shirt, a black tie, and a long black vest with houndstooth patterned sleeves. The background is filled with rolls of fabric in different colors and textures, including black, white, and blue. The lighting is soft and even.

FALL-WINTER 2024 COLLECTION

ANNE FONTAINE
PARIS

I am thrilled to reach out to you with news of our latest creative journey, a collection that is very close to my heart. As we transition into the Fall-Winter 2024 season, I am delighted to introduce you to a body of work that is not just a fusion of fashion and art, but also a profound love letter to a place that has profoundly inspired me.

This season, our muse is the enchanting town of Honfleur. Nestled in the heart of Normandy, Honfleur is a sanctuary of timeless beauty and a source of endless inspiration. It is here, amidst its captivating landscapes and historic charm, that the essence of our Fall-Winter 2024 Collection was conceived.

Each piece in this collection is a homage to Honfleur and the special spots within it that resonate deeply with me. As you explore the collection, you will embark on a journey through this idyllic town, visiting the places that have become my sanctuaries and sources of inspiration.

From the illustrious Le Vieux Bassin, whose reflections on calm waters seem to tell a thousand stories, to the captivating winding streets and the majestic Eglise Sainte-Catherine, each garment is woven with the magic and aura of these beloved sites. The collection captures the essence of Honfleur's rich history, its vibrant cultural tapestry, and the natural beauty that surrounds it.

Our Fall-Winter 2024 Collection is a celebration of Honfleur, interpreted through the lens of fashion. It embodies the spirit of its landscapes, the warmth of its color palettes during the fall and winter months, and the architectural grandeur that makes Honfleur a jewel in the heart of Normandy. In crafting this collection, my aim was to transport you to those very streets, to feel the texture of history, and to immerse yourself in the beauty that has captivated my heart.

This collection is more than just clothing; it's an experience, a journey through Honfleur as seen through my eyes. I hope that as you wear each piece, you feel the love, the inspiration, and the deep appreciation I hold for Honfleur. May it inspire in you a sense of adventure, beauty, and perhaps, find a special place in your heart as it has in mine.

I am incredibly excited for you to discover the Fall-Winter 2024 Collection, and I cannot wait to hear your thoughts and which pieces resonate with you the most.

xoxo,
